E.CHABOT COMMITMENT TO RESPONSIBLE SOURCING POLICY

This policy confirms our commitment to respect of human rights, avoid contributing to the finance of conflict and comply with all UN sanctions and laws

We are in the process of implementing the **OECD** five step framework as a management process for risk based due diligence for responsible supply chains of minerals from conflict-affected high-risk areas.(CAHRA)

We affirm our commitment to a responsible jewelry supply chain for all jewelry we import to our customers and ensuring that all the products are from conflict free sources
We are taking an active role in implementing a system to identify the source of our Jewelry products and can ensure that all our Jewelry that contains Silver or Gold is supplied by reputable factories that adhere to all necessary requirements of compliance.

E. Chabot will not Acquire or sell any product that has not been vetted from a transparent responsible sourcing partner that adheres to the same code of ethics. We will immediately stop engaging with any entity in our supply chain we find to be a reasonable risk to these abuses.

If you have any questions please email me to ezra@echabot.com or call me 212-575-1026 x118

Sincerely,
